

Singing for Jesus

1. God has shown His love for His children,
Even though we are sinners still,
Jesus Christ gave all and died for us,
His great love is the best I know.
Jesus, Jesus, Jesus Christ died to save.
Jesus, Jesus, Jesus Christ saved me from sin.

2. I am victorious, victorious, victorious with Christ,
I am victorious, victorious, victorious with Christ.

When Satan comes to tempt my heart,
Jesus Christ is ready to help me out.
When Satan comes, to tempt my heart,
Jesus Christ is ready to help me out.

I am victorious, victorious, victorious with Christ,
I am victorious, victorious, victorious with Christ,

When temptation comes, I will say, no, no. Jesus
Christ is ready to help me out.
When temptation comes, I will say, no, no. Jesus
Christ is ready to help me out.

3. I will grow more and more each day
Each day I'll grow and grow and grow,
Oh yes, I'll grow and grow, and grow
More and more, I will grow.

By reading what God says in the Bible,
By taking time to talk to the Lord,
And every week, with all our friends
we go to church, Oh..oh..oh..

I will grow more and more each day,
Each day I'll grow and grow and grow,
Oh yes I'll grow and grow and grow,
More and more, I will grow.

I want to go to heaven; meet Jesus,
For that event I need to prepare,
I am learning, I'll keep studying,
From God's word, Oh...oh...oh..

I will grow more and more each day,
Each day I'll grow and grow and grow,
Oh yes I'll grow and grow and grow,
More and more, I will grow.

4. Soon, yes very soon I'll go,
I'll travel to my glorious home.
Up there to heaven I will go,
And live with Jesus Christ my friend.

I'll fly a plane, no, no.
I'll take the train, no, no.
I'll ride the bus, no, no.
And I won't walk.
Because I know a cloud will take me there,
And then with Jesus Christ I will go home!

Thousands of angels will come,
They'll blow their trumpets loud and strong.
Jesus Christ will lead them all,
Prepare yourself or you won't go.

I'll fly a plane, no, no.
I'll take the train, no, no.
I'll ride the bus, no, no.
And I won't walk.
Because I know a cloud will take me there,
And then with Jesus Christ I will go home!
And then with Jesus Christ I will go home!

4.1 /I'm a light; I'm a light
Jesus Christ shines bright in me,
I'm a light, I'm a light, I will light the world/

5. Truly, my soul finds rest in God.
My redemption comes from Him alone,
Salvation and my rock is He.
He's my fortress, I will not be moved.

In God alone, I will find help and glory.
In God, my Rock, I will find strength,
He is my refuge.

6. Heaven sent a challenge;
that's my mission today,
To tell others who it was that died for me:
It's my Saviour, Jesus Christ,
On the cross He gave His life,
With the goal to make us free from sin.

Good news, I will give of Him,
Good news, sent for everyone,
A new heart you will receive,
Filled with love and joy and peace,
Through the power of the mighty God.

Heaven sent a challenge
that's my mission today,
To tell others who it was that died for me,
Two by two we will go out,
Visit every house in town,
Bringing the good news of our Lord.

Good news, I will give of Him,
Good news, sent for everyone,
A new heart you will receive,
Filled with love and joy and peace,
Through the power of the mighty God.

7. The Lord God, He will fight, fight for you,
The Lord God, He will fight, fight for me.
The Lord God, He will fight, fight for you,
And you need only to be still.

The Lord God, He will fight, fight for you,
The Lord God, He will fight, fight for me.
The Lord God, He will fight, fight for you,
And you only need to be still,
And you only need to be still,
And you only need to be still.

8. God wants to give me many great presents,
Gifts that He wants to give with all His heart.
All that I have to do is accept them,
And with them showers of blessings will come.

Great presents, wonderful gifts,
I now accept them with faith.
Great talents, wonderful gifts,
Thankful I am, oh Lord.

There is a present that is the greatest,
God gave it when to the earth Jesus came.
There on a cross Jesus died just to save me,
To wash my sinful heart and make it clean.

Great presents, wonderful gifts,
I now accept them with faith.
Great talents, wonderful gifts,
Thankful I am, oh Lord.

9. We are going to pray, let us kneel down.
We are going to pray, let's be silent.
And now let's close our eyes
Let's fold our hands together,
All finished, we're now ready to begin the prayer.
We are going to pray, let's be silent,
We are going to pray, let's be silent.

10. /We're happy to be here, Our smiles you see,
Because today we will have fun./

So we will sing, Lala
And we will talk to God,
We'll get to learn about,
The great Creator-God.

/We're happy to be here, Our smiles you see,
Because today we will have fun./

Now let me lift my hands,
And let us jump up high,
Because to see you here,
Is great and brings me joy.

/We're happy to be here, Our smiles you see,
Because today we will have fun./
